## COVID-19 vaccinations

MTHCS medical clinics in Ouyen and Sea Lake have received plenty of COVID-19 Pfizer and AstraZeneca vaccines. **Vaccinations are now available by appointment to people aged 12 years and over.** To contact the Sea Lake medical clinic, phone 5070 2155; or the Ouyen medical clinic, phone 5092 1168.

*Sea Lake residents were treated to pancakes thanks to Kerry Riches and Michelle Jackson (pictured above). Our Activities staff members were having a planning day so nursing staff decided a treat was in order for the residents. Everyone enjoyed yummy pancakes with lemon and sugar, butter and honey or jam.*

## Visitors to aged care

Visitors are still not permitted inside our residential aged care facilities; however, outdoor visits will be permitted for mental health and compassionate reasons. Please phone the facility to discuss your visiting requests and make an appointment. Virtual and window visits are also encouraged.

## Stay safe during holidays

If you are moving around regional Victoria during the school holidays, please make sure you stay COVID-safe: socially distance, wear a face mask; use hand sanitiser and wash your hands; and use the QR code to check in everywhere you go. Also, keep an eye on the exposure sites at [www.coronavirus.vic.gov.au/case-alerts-public-exposure-sites](http://www.coronavirus.vic.gov.au/case-alerts-public-exposure-sites)

*Pictured (from top image down): Consulting with Sea Lake residents about leisure and lifestyle activities; Lorna, Ken, Pat, Betty and Bill enjoying a game of Rummikub; and the gentle exercise program held weekdays with the residents.*

## Manangatang Kindergarten

Enrolments are now open for 3 and 4 year old funded kindergarten in Manangatang during 2022. Please phone 5091 0292 to commence enrolment. If you need further information, please contact Lisa McNicol on 50 351 368.

## Vaccinations for our staff

Thank you to all MTHCS staff members who have been vaccinated against COVID-19. We are very pleased to say MTHCS is now fully compliant with the Australian Government's requirement that all aged care workers are vaccinated (or have commenced their vaccination) by 17 September, 2021. This demonstrates our commitment to protecting our communities from COVID-19.
