When to wear a face mask

Face masks lower your chance of catching and spreading an airborne virus. That's why wearing a high-quality and well-fitted face mask can help protect you and those around you from COVID-19. Face masks are still required:

- while visiting a hospital, care facility or any other indoor space that is publicly accessible in a healthcare setting, including allied health settings;
- while working in a resident-facing role in an indoor space at a care facility, including when not interacting with residents
- after being tested for COVID-19 and awaiting results
- while outside your premises, if you have COVID-19 or are a close contact and are permitted to leave your premises.

Thank you Thelma!

Pattinson House resident Thelma has become a firm friend to the children at Mallee Minors, largely through the intergenerational music program. Recently, Thelma surprised the children with a gift - a beautiful diamond art piece for the children to display in the foyer. The children love it so to thank Thelma, they made her a special poster. Mallee Minors children Kelsey, Remi and Lucy delivered it to Thelma on Monday 26th September 2022.

Young MTHCS staff members shine at local youth awards

Congratulations to MTHCS staff members Nick Coe and Caitlin Vine for being recognised at the Mildura Rural City Council Youth Awards! Both Nick and Caitlin were finalists in the Community Participation category, with Caitlin going on to win this section in recognition of her work with the local football/netball club. The Community Participation award recognises young people who have shown leadership in their community. Nick was nominated for the award by his manager at MTHCS, Louise Plozza, who says it was a great achievement for Nick to be named a finalist. Nick, who is a popular member of the Hotel Services team, was joined at the Awards Presentation Dinner at the Mildura Golf Club by his Mum and colleagues. Well done Nick and Caitlin!

WORK WITH US

"We care for and support our community. It's challenging and rewarding. I learn something new every day."

Endorsed Enrolled Nurses and Registered Nurses (Ouyen & Sea Lake)

MTHCS is currently recruiting Enrolled and Registered Nurses to join our team in Ouyen and Sea Lake. Using a problem solving approach in the delivery of nursing care, these nursing roles collaborate with all members of the multidisciplinary healthcare team to contribute to the delivery of quality care. If you are interested, talk to us today.
